

# 1. Trefoil Hike

Sports Club TuS Börsborn  
Sunday, 27 Mai 2018

## Announcement

The village of Börsborn in the union community *Oberes Glantal* is idyllically located on a south-facing slope. In 2015 the community established three family-friendly hiking trails that offer scenic views of the surrounding area and lead along historic sites, natural landmarks and the recreation area *Lake Ohmbach*. Each trail passes a restaurant that invites hikers to take a rest. Together the three circular routes form the shape of a trefoil. The Börsborn sports club *TUS Börsborn* will host a special hiking event on these trails Sunday, May 27 titled *Kleeblattwanderung* (English: trefoil hike).
